ABOUT ME

 PORTFOLIO
tytekkit.github.io

Design and development has been my passion since adolescence. For me it is like playing with puzzle pieces, fitting it all together and a chess match, thinking multiple moves ahead.

TOOLBOX

Front-end
- ❖ HTML5 / XHTML • CSS3 / SASS / LESS / Bootstrap
- ❖ Javascript ES6 / JQuery / React

Back-end
- ❖ PHP • MySQL • Python • AWS • Node.js • Laravel
